

Catch::Generators::
RandomIntegerGenerator
::RandomIntegerGenerator

```
graph LR; A[Catch::Generators::RandomIntegerGenerator::RandomIntegerGenerator] --> B[Catch::Generators::RandomIntegerGenerator::next];
```

A diagram showing a call from a white box to a grey box. The white box on the left contains the text 'Catch::Generators::RandomIntegerGenerator::RandomIntegerGenerator'. A blue arrow points from the right side of this box to the left side of a grey box on the right. The grey box contains the text 'Catch::Generators::RandomIntegerGenerator::next'.

Catch::Generators::
RandomIntegerGenerator::next
